- Ensure the development and maintenance of the security plan
- Implement the security plan
- Undertake regular security inspections of the facility to ensure the effectiveness and adequacy of security measures
- Facilitate security plan reviews
- Recommend and incorporate modifications to the security plan in order to:
- Correct deficiencies in the plan; or
 - update the plan to take into account changes to the facility
 - Enhance security awareness and vigilance of facility personnel
- Ensure that standards for personnel with, or who have been assigned, security duties and responsibilities are met and that adequate training is provided to the personnel
- Report to the relevant authorities, and maintaining records of, occurrences which threaten the security of the facility
- Liaise with ship security officers and offshore industry participants' security officers
- Co-ordinate with security, police, fire, ambulance, medical, search and rescue services, as appropriate
- Ensure that security equipment is properly operated, inspected, tested, calibrated and maintained
- Confirm the identity of persons intending to enter the facility
- Provide advice to the secretary on the operational and safety aspects of the implementation of security and control directions
- Communicate and coordinate the implementation of security and control directions

Certificate

An AMC Certificate will be issued to participants who satisfactorily complete the course.

Delivery Strategy

The course will be delivered by classroom theory sessions.

Assessment Strategy

Assessment is undertaken over a 2.5 day period, via the following procedures:

- Role play: Participants are presented with the opportunity of displaying behavioural and inter-personal skills in a simulated context. Role play exercises are usually open-ended and person-centred.
- Practical display: The completion of a specified task, set of procedures normally performed under close supervision using a checklist, or an examination.
- Oral questioning: A response is provided to a series of oral questions presented in order to demonstrate understanding of principles or reasoning behind the action taken.
- Written examination: An open book examination is conducted in which a 70% pass mark is required.

Safety Information

Course participants are requested to note the following safety information: Enclosed footwear must be worn at all times. The AMC Occupational Health & Safety requirements will be adhered to throughout the course. Government regulations prohibit smoking in classrooms or within 10 metres of buildings.
