Course Aim

Under the terms of the ISPS Code, shipping companies are required to designate a Ship Security Officer for each of its ships. This course is designed to provide instruction and proficiency in compliance with the ISPS Code for Ship Security Officers (SSO).

Content

A participant successfully completing the Ship Security Officer programme will be able to:

- Describe recommended practices and procedures listed in international regulations and policies regarding ship security
- Develop a threat assessment and risk analysis based on available intelligence information
- Identify characteristics and behaviour patterns of persons who may be likely to commit unlawful acts
- Recognise and detect weapons, dangerous substances and devices
- Identify common crowd behaviours
- Develop and implement a ship security plan
- Demonstrate the elements of a security assessment and propose modifications to an existing plan

Course Times

Days 1 and 2: 0900-1700, Day 3: 0900-1600 (*May vary on individual timetables*)

Course Approval

This course is AMSA approved as meeting the requirements of section 1-4, section A-VI/5 of the STCW Code.

Certificate

An AMSA approved AMC "Ship Security Officers" Certificate will be issued to participants who satisfactorily complete the course.

Delivery Strategy

The course will be delivered by classroom theory sessions.

Assessment Strategy

Assessment is undertaken over a 2.5 day period, via the following procedures:

- Role play: Participants are presented with the opportunity of displaying behavioural and inter-personal skills in a simulated context. Role play exercises are usually open-ended and person-centred.
- Practical display: The completion of a specified task, set of procedures normally performed under close supervision using a checklist, or an examination.
- Oral questioning: A response is provided to a series of oral questions presented in order to demonstrate understanding of principles or reasoning
