An AMSA issued Certificate of Safety Training is the mandatory minimum requirement in order to serve on board vessels in international waters. It is not possible to gain employment in the industry without this Certificate.

Applying for the Certificate of Safety Training

Upon successful completion of the AMC training, participants will be issued with AMC Certificates for each of the courses completed. Participants are then required to apply to AMSA for the issue of a Certificate of Safety Training. Application forms are available from the AMSA website: <http://www.amsa.gov.au>

Content

- Fire Prevention and Fire Fighting
- Personal Survival Techniques
- Personal Safety and Social Responsibilities
- Elementary First Aid*

**Candidates holding either a Workplace Level 2 or Senior First Aid certificate obtained within the last 2 years issued by a nationally recognised training provider may qualify for an exemption in that component. The exemption would reduce the duration of the course; however the course fees remain the same.*

Course Times

0900-1700 (may vary on individual timetables)

Course Approval

This course complies with Table A-VI/1-1, 1-2,1-3 and 1-4, STCW78 as amended and is approved by AMSA.

Maritime Training Package. Units delivered under the Maritime Training Package are GST free.

Delivery Strategy

The course will be delivered by classroom theory sessions and practical hands-on training sessions.

Assessment Strategy

A range of methods is suggested for measuring progress towards and achievement of learning outcomes in this module.

Knowledge-based criteria will be satisfied through written or oral questioning relating to practical assignments.

Skill-based criteria will be satisfied through practical fire fighting and tabletop exercises throughout the learning period.

Assessment will be undertaken off-the-job, however, where possible the environment will simulate a real work place situation.

Safety Information

Course participants are requested to note the following safety information: Enclosed footwear must be worn at all times. The AMC Occupational Health & Safety requirements will be adhered to throughout the course. Government regulations prohibit smoking in classrooms or within 10 metres of buildings.

Physical Fitness

This is in part a practical course and all attending are required to participate in drills which require the use of fire fighting appliances and equipment, fire fighting agents and breathing apparatus. Some of the exercises are conducted in confined spaces, are strenuous and require a reasonable degree of physical fitness.

Participants should be medically fit, those who require medication for breathing problems are advised to ensure they have supplies with them on practical fire fighting days.

What to Bring With You

AMC provides protective equipment such as: boots, leggings, coat, gloves and hard hat.

Participants must provide their own: overalls, socks, underwear, towels, etc. and adequate spares.

It is strongly recommended that participants remove all jewellery prior to the practical exercises. Please ensure your jewellery is removed and safely stored prior to the practical exercise. Please note AMC Search accepts no responsibility for jewellery lost during practical exercises.
