

LIFERAFTS DESIGN AND FEATURES (ONLINE) ONLINE

The liferaft design and features course can be used either as an introduction to liferafts on board vessels, or as a refresher for people already working on vessels.

The course looks at the location and number of liferafts available on ships under SOLAS, and then steps through the different methods available for launching the liferaft from the vessel.

Details on how the liferafts are inflated, the equipment contained within the liferaft, and what occupants of the liferaft should do when abandoning a ship.

A demonstration on how to right a liferaft is also provided.

DURATION: Online, approximately 30 minutes
