TANKER POLLUTION (ONLINE)
ONLINE

This course introduces the candidates to the issues of oil and chemical pollution from ships. It allows the canddiate to understand the impact on the marine environment and atmosphere, and describes the operations on a ship that are commonly associated with spills. The weathering processes associated with oil and chemicals that are released into the environment are also covered.

Delivery Method:	100% online training and assessment
Designed for:	This course is designed as a refresher for seagoing personnel with an interest in tanker pollution.
Content Types:	Written material, images, video, animations, 3D scenarios
Learning Outcomes:	Upon successful completion of this training, participants will: 1. Understand the impact on the environemnt of a spill of oil or chemicals from a ship. 2. Describe how oil and chemicals weather when released into the environemnt. 3. Know the ship operations that most comonly cause spills. 4. Understand the pollution that occurs to the atmoshere from ships and ship operations.
Assessment:	An assessment will be provided at the end of the course (fully online). You will have unlimited attempts to achieve the 100% pass mark.
Certification:	Australian Maritime College Completion Statement.
Language:	English
Duration:	Approximately 30 minutes
Compatibility:	Google Chrome, Firefox, Internet Explorer, Edge, Safari, Android Phone, iPhone, iPad

DURATION: Online, approximately 30 minutes

REGISTRATION TERMS

Face to face courses

Cancellations up to 15 working days prior to the scheduled date will be accepted without penalty. Cancellations less than 15 working days will be subject to 100% cancellation fee.

AMC Search reserves the right to cancel the course 15 working days prior to the scheduled date if insufficient registrations are received. Any fees paid for cancelled courses will be refunded in full.

When making flight bookings please ensure you book on a fully refundable basis.

PAYMENT TERMS

Online course registrations

Payment of course fees, or authorisation to invoice from your company, is required before access to the online learning environment is provided. Please note, it will take between 2-4 business days to provide your access to the online course if you have not studied previously with AMC Search, the Australian Maritime College or the University of Tasmania.

Self-funded registrations

Once payment is requested, it must be received by the stated deadline. If payment is not received and no contact has been made by that deadline, AMC Search reserves the right to remove you from the course.

Company sponsored registrations

All company-sponsored registrations must be supported by a valid Purchase Order (PO) within 7 days of registration. Please send the PO to AMCS.courses@utas.edu.au and include the student's name in the subject line. If these requirements are not met, AMC Search reserves the right to remove the student from the course.

PAYMENT OPTIONS

Payment methods accepted:

- Register now and pay later (payment required 15 days before the course starts)
- Credit Card (online or via (03) 6324-9850)
- Bank Deposit
- Company sponsorship.

Detailed payment options are available here.
