CONTENT

A participant successfully completing the Port Facility Security Officer programme will be able to:

- Manage the conduct of a Port Facility Security Assessment
- Develop a Port Facility Security plan from the assessment and submit it for approval by the appropriate Authority
- Supervise the implementation of the Port Facility Security Plan
- Maintain the Port Facility Security Plan
- Assess security risks, threats and vulnerability
- Undertake periodic inspections of the port facility to ensure security measures are implemented and maintained in accordance with the Port Facility Security Plan
- Ensure that all security equipment and systems of the port facility are properly operated, tested and calibrated
- Encourage security awareness and vigilance
- Liaise with Ship Security Officers regarding security issues
- Ensure that security related personnel receive adequate training

ASSESSMENT STRATEGY

Assessment is undertaken over a 3 day period, via the following procedures:

- Role play: Participants are presented with the opportunity of displaying behavioural and interpersonal skills in a simulated context. Role play exercises are usually open-ended and person-centred.
- Practical display: The completion of a specified task, set of procedures normally performed under close supervision using a checklist, or an examination.
- Oral questioning: A response is provided to a series of oral questions presented in order to demonstrate understanding of principles or reasoning behind the action taken.
- Written examination: An open book examination is conducted in which a 70% pass mark is required.

LAUNCESTON, TAS
