I was delighted to find AMC offering an online qualification course that I completed over a weekend in the comfort of my own home. You should be very proud to be one of the first training academies in the world to offer these particular courses online. It was made a cinch by a group of professionals who have produced a relevant and high quality training course - thank you!

COURSE STRUCTURE AND ASSESSMENT INFORMATION

The Crowd Management Course comprises three types of activity:

1. Written learning materials containing images.
2. Video footage that explains the written material and shows examples of how to perform in drills, provide passenger instruction and what to do in an emergency.
3. Four assessments, which require equal to or greater than 80% for each assessment to pass. You have

three attempts at each assessment, and failure to gain the 80% required pass mark after the three attempts results in failure of the course. You will need to pay the course fee again to continue.

On successfully completing this course you will be able to:

- Control a crowd in an emergency situation on board.
- Locate essential safety and emergency equipment on board.
- Communicate effectively with passengers during an emergency.
- Demonstrate the use of life-saving appliances.
- Comply with the ship's safety and emergency procedures.
