

ENVIRONMENTAL AWARENESS ONLINE

Environmental Awareness online introduces participants to the concept of environmentally sound shipping. Participants are provided with information on the diversity and significance of the marine environment and how this environment can be adversely impacted by shipping industry activities. Through this knowledge participants are encouraged to appreciate the role people can play in protecting the environment from pollution and how individuals can proactively contribute to environmentally sound shipping practices.

CERTIFICATION

The following certificate will be issued by AMC to participants who successfully complete the course. Please allow up to 5-7 days after completing the exam to receive the certificate:

- Environmental Awareness

Certificates will be posted via Registered Post within and Australian and overseas. Additional charges are applicable if next day delivery is required.

EQUIPMENT REQUIRED

Environmental Awareness online is provided using the University of Tasmania's online learning environment, MyLO. Please check your browser is set up to use MyLO by checking this [browser information](#).

COVID-19 VACCINATION

AMC Search (AMCS) is operating a COVID-Safe campus aligned with the protocols and procedures established by the University of Tasmania. The safety and wellbeing of staff, students and the broader community is an absolute priority for the University of Tasmania.

We strongly encourage everyone to remain up to date with their COVID-19 vaccinations but no longer require our students to be vaccinated to come to our university campuses, facilities or events.
