

# SAFETY MANAGEMENT SYSTEMS (MARITIME)

COURSE ALSO KNOWN AS:  
SMS

Provides participants with the knowledge and skills necessary to significantly improve the management of a maritime safety system. The course uses a blended learning approach, with both online and face-to-face content.

## WHO SHOULD PARTICIPATE?

Safety Management Systems (Maritime) is designed for people who are either currently managing maritime safety management systems, are preparing to move into such a role or have regulatory oversight of maritime systems.

This could include safety managers, DPA, seafarers looking to move into shore-based positions, or representatives of port authorities, pilotage or towage organisations.

The course is also suitable for students looking to develop a career in land-side maritime safety management.

## COURSE DETAILS

The focus of the 3 days will be to develop relevant skills to measure, manage and change safety systems.

### The course includes:

- Principles of management systems and safety culture
- Safety change management
- Risk Assessment Planning (anticipatory thinking); dynamic risk assessment, behavioural assessment)
- Measurement of safety management systems using lead and lag indicators, risk profiling from incident and injury data.
- Setting stretch goals
- Building, managing and modifying safety cultures
- Assessing policy implications of cultural change.

### Skills that will be developed:

- The application and analysis of Safety culture surveys.
- Tools for observation of normal work environments
- The assessment of positive performance and lag indicators
- Tools for the development and assessment of policy changes
- Debriefing after exercises or simulations for learning lessons
- Dynamic Risk Assessment, pre-mortems
- Application of change management frameworks to safety contexts

## OUTCOME

Participants who satisfactorily complete the course will be issued with an Australian Maritime College Certificate in *Safety Management Systems (Maritime)*.

## COVID-19

In order to help slow the spread of COVID-19 and to protect the health and safety of our trainees and staff, AMC Search (AMCS) is operating a COVID-Safe campus aligned with the protocols and procedures established by the University of Tasmania. This includes

**DURATION:** 3 days plus online pre-course work
